

Turn into Sywell Aerodrome (there are several entrances so look for the sign with “Main Entrance” on it as below). Proceed straight on past Collingwood Lighting (on the right) towards Sloane’s gate (if closed call us for the pass-code). Then turn left at Sloane’s offices and follow the road through the car park until you see Hall Farm (we are located in the offices on the left).

Above: Sywell Airport Main Entrance.

Below: Main Entrance Sign; Sloane’s gates (top right); Hall Farm offices (bottom right).
